## Indian Troubles in Nebraska.

NORTH PLATTE, Neb., Oct. 5.—A mail carrier who arrived here from Norton, Kansas, this evening, via Indianola, Nebraska, states that seven men are known to have been killed by Indians in the vicinity of Sappa. He states that the hostiles were raiding Beaver Creek Wednesday. All quiet at Indianola, though the people are much excited between there and the Platte valley.

OGALLALA, Neb., October 5.—Two soldiers, who were sent back from Colonel Thornburgh's command on account of their horses being fagged out, reported Colonel Thornburgh close on the heels of the Indians and thought he would overtake them in a short time. The Indians succeeded in getting the command of the main trail by sending scouts out in different directions, but the command struck the trail again after losing a little time. Colonel Thornburgh has several good stock men as guides who are well posted on the country where they are traveling.

ST. LOUIS, October 5.—A special to the Globe-Democrat from Topeka, Kansas, gives a summary of the outrages committed by the Cheyenne Indians who went north a day or two ago. After crossing the Kansas Pacific they started northwest to Decatur county and raided the settlements there. Their main depredations were on Sappa creek. Every residence for twelve miles was plundered and almost everything destroyed, all the cattle stamped and what of the crops was left by the Indians has been eaten up or destroyed by stock. The number of people killed is not yet known.

ST. PAUL, Minn., October 5.—Reports are received at military headquarters here that both the Spotted Tail and Red Cloud Sioux have left their reservations in Dakota and are moving west, directly towards the Black Hills. The supposition is that they are about to join the fugitive Cheyennes in a descent upon the Hills. Much solicitude is felt for the safety of the cities there, which are protected by only four companies of soldiers at the new post. The seventh cavalry is under orders to march.

## Driven to Desperation.

NEW YORK, October 5.—A Herald dispatch confirms the statement that Petermann the eminent geographer, committed suicide. His first wife, who was a female fiend, rendered his life intolerable. They were divorced in 1877. Four months ago he married an estimable lady. Since that event his first wife has done everything in her power to torment him. His troubles resulted in nervous prostration. On the day of his death he was greatly depressed. His wife and daughter were with him. He requested them to leave him. They did so, and in a short time he was found dead. His body was still warm. His father and his grandfather both committed suicide.

## A Destructive Fire in Oregon.

PORTLAND (Or.), October 5.—A special to the Standard from Junction City, of this date, says that a fire started about 2 o'clock this morning in the back part of Cohen's store, and burned seven buildings. Nothing of the contents was saved. Berry's hotel partially burned, but the fire was put out. Gilmore's hotel was also damaged. The whole block was burned except one building. The cars on the railroad took fire but were hauled out and saved. At 5 o'clock this afternoon everything was in ashes. Total loss estimated at \$50,000. Insurance about \$15,000.

## Another Man Killed.

DOWNEY CITY, Cal., Oct. 5.—L. Polloreno killed Nicolas Collinas at Old Los Vietos last night. There was an old grudge. Polloreno went to a saloon for his brother, who was drinking, and started home with him, when Collinas mounted his horse and followed, riding against Polloreno, who caught Collinas' bridle, when Collinas drew a bottle from his pocket and attempted to strike Polloreno. The latter drew a revolver and shot Collinas three times, killing him instantly. Polloreno surrendered himself to the constable.

## The De Young Label Case.

PLACERVILLE, October 5.—At 10:50 o'clock to day the jury in the De Young label suit were again sent for by the Judge and came into court. In reply to Judge Irwin, their foreman, O'Brien, announced that they had not been able to agree, and if they were kept out for six months there would be no likelihood of them coming to an agreement. The jury were then discharged and all the cases continued for the term. The jury stood ten for conviction and two for acquittal on every proposition.

Turkish Officers and Soldiers Massacred. CONSTANTINOPLE, Oct. 5.—A great sensation has been created here by the news that the Albanians have massacred 156 officers and men. The massacre is said to be owing to the Pasha having announced that the Porte had sent him to arrange for the transfer of Podgoritz to Montenegro.

The Bank Defalcation in Providence. PROVIDENCE, R. I., Oct. 5.—The examination of the affairs of the Grocers' and Producers' Bank is not completed. One man, who had a private box deposited in the safe of the bank, examined it this afternoon and found it had been robbed of \$3000.

## SPECIAL NOTICES.

Don't Forget it. If you are troubled with nervousness, are disheartened, tired of life, fear death or feel out of sorts, as the saying is, you may safely conclude that you have the Dyspepsia or Liver Complaint. The liver is very apt to become torpid at this season of the year, as poisons arising from marshes, stagnant water are more numerous, and are, through inhalation, taken into the blood. Unless the liver is strong and active, and furnishes a supply of fresh and pure blood to drive out the impurities, the above mentioned symptoms surely follow, and if not heeded, end in more terrible diseases and death. White's Prairie Flower proves itself the great liver purifier. Its action on the liver is different from any medicine ever compounded. Its cures are truly wonderful. Try it. Price, twenty-five cents and seventy-five cents. For sale by our druggists, Ochsner & Sons, 211 N. 3rd St. St. Louis, Mo.

EDITORIAL NOTES.

Freddy Cole, Democratic candidate for Supreme Judge, has gone to Hamilton. He should stay there. The Democratic convention must have been hard up for timber when they picked up Cole. He has been anything but an ornament to the bench as a District Judge, being bad tempered, rude to the bar and to witnesses, and as rancorous in his bias as a prosecuting attorney. He is small in mind as in body, and about as fit for the position of Supreme Judge as Fred Hart is to be Superintendent of a Sunday school.

The neighboring papers are just now expressing their wonder at the nominations made by the Workingmen of Washoe county. The Enterprise yesterday said:

The Workingmen of Washoe county have nominated a full county ticket. Among the names of the candidates are some of the foremost men of Washoe county, some of the largest property owners, some of the most thorough men in every sense of the word. It is not a Workingmen's ticket in any Kearney sense at all, but, judging by the names, it is an uprising of the men most interested in the peace and prosperity of the county.

Ahem, so to speak.  
Cassidy has swallowed his crow and is now shamelessly belching for Bradley. We are glad of this, for it is pleasant to see Mr. Cassidy comfortable. His present political position would be intolerable to a man who had the least regard for principle or who would wince at having to go back on promises and protestations. Cassidy, however, is used to wallowing in this kind of mud and is never at home when out of it.

The San Francisco Alta is ferociously opposed to the barbarous practice of duelling. So are we. It is a relic of darker and bloodier times than this of enlightenment of which we live. Far nobler and more civilized is it to retire to a secluded doorway and bang it to your enemy in the back than to face the scoundrel and give him a chance to get his work in on you.

The Eureka Sentinel, which looks at things through the inflamed eye of Democracy is sure that "the Republican papers are bound to kill Kinkaid." And why? "Because," says the Sentinel, (always eager to say flattering things to the dear people) "they call him a man of great education and refinement." There's Democracy for you, pure and simple.

The Idaho Avalanche (hell fire Dem.) cries: "The Democracy of Nevada hit the nail square on the head in the third term resolution of the platform." Yes, and the Democracy of Nevada hit common decency and consistency and poor old Bradley square on the head with that extraordinary resolution, too.

Dennis Kearney, whose proud boast it was that he had not been made by hellbound newspapers, is probably thinking better of it now when the newspapers are saying nothing about him, and he is by consequence fading out of the minds of the people.

Statistics show that printers are the shortest lived of any class of men. This is no doubt caused in part by the murderous habits of editors. Why, we ourselves—but never mind. Deeds of blood are not made more worthy by boasting.

"Ennui is the ghost of murdered time," remarks a philosophical exchange. No it isn't! it's stupid time you'd infernally like to murder.

The Plumas National has entered upon its thirteenth volume. The National is a good paper, edited with intelligence and spirit.

Thomas Doris was killed by a cave in the Ajax mine at Bodie on Friday last.

Kearney on the Common.

Boston, Oct. 5.—Kearney held a meeting on the common this evening. He opened his speech by reporting progress, saying he had spoken at various places during the week, the Workingmen being very enthusiastic for Butler. He attacked Arnold, the Worcester Democratic candidate on the Butler ticket, as a "grinding monopolist" who had advocated no reduction in the hours of labor. He introduced several newly-made orators, who did well, and closed by announcing a regular series of sand-lot-style meetings for Sunday afternoons on South Boston common, commencing to-morrow. It is rumored the police will interfere.

Fired Out.  
(White Pine News.)

We learn that a couple of well-known citizens of Cherry Creek, taking offense at something which appeared in the columns of the Independent, visited that office one day last week for the purpose of "lecturing" Bro. Hoyt as to how he should conduct his paper. They were fiercely set upon by the editor and his two "devils" and fired out without ceremony, one carrying with him an ugly cut from a lick with the office towel. The other got away unharmed, says it was his first visit to a printing office, and if God spares him his senses, it will be his last. Bro. Hoyt is new in the business, but he has started in well, and we congratulate him on his first great moral and physical victory. By the time he has "done" some half a dozen malcontents in a similar manner, these Cherry Creekers will learn some sense.

Lost Her Peep-Stone.  
(Gold Hill News.)

Recently while Mrs. Bowers, the well-known Washoe seeress, was giving a sitting, a zephyr came along, forced the door open and blew her light out. She retired to an adjoining apartment to relight it, and when she returned her visitor had gone. Not only that but her peep-stone had disappeared also. The crystal was a Scotch stone and very valuable. She could not get another on the coast, and her numerous customers could not wait for her to import a new one. This all occurred Saturday evening. She mourned her loss all night, and on Sunday concluded to send her spirit friends after the thief. She dispatched them out after her peep-stone and Monday night it was returned, not to her, but left at the next door, where she would be sure to find it.

Eleven Days of Torture.

New York, Oct. 4.—The hatches on the steamer City of Chester, that came into port to-day, were opened this evening to allow of the unloading of freight. When the men descended into the hold they were amazed at finding a man lying on a pile of freight boxes in a famished condition. He had been there the entire voyage across the sea, the hold having been undisturbed all the time. He said his name was James Donnelly, from Scotland, twenty-three years of age. He secreted himself in the hold with the purpose of coming to this country, having no money. Eleven days the trip lasted, Donnelly starved in the darkness. He had no food, and driven to desperation by thirst drank his own urine. He was sent to the hospital.

Shooting Affray in Sacramento.

SACRAMENTO, Oct. 5.—A shooting affray occurred last evening about 7 o'clock, in the Mint saloon, corner of Second and K streets, in which Joe Hurtado shot and instantly killed Jack Donny, who was released a few weeks ago from State prison, where he had been sent for robbery, and Hurtado also shot his brother Peter through the right shoulder. The trouble arose over a division of some sixty odd dollars, which the three won last night from a countryman. Hurtado begun shooting, but it is considered justified from the threatening manner of the others, who said if he did not divide he should not leave the saloon. They also previously threatened to kill him. Peters' wound is probably fatal.

## NOTINGS.

Two fine rooms can be rented in a private house. Apply at this office.

Quite a large crowd came over from Virginia and Carson yesterday.

Prof. Scott will meet his gentleman's class to night at Kimball's Hall.

Mr. Thoms has opened a photograph tent on Virginia street. See local ad.

Send word to your Virginia friends that accommodation trains will run daily.

We expect a large delegation from Truckee to-morrow. Fare has been reduced.

H. M. Yerrington and J. W. Haynie were before the Board of Equalization to-day.

The accommodation train was patronized better to-day than during the first day of any preceding fair.

Mrs. Add Peacock will exhibit a number of spirit pictures, at Budden room on Virginia street, during fair week. Admission 25 cents.

Reno is almost full to overflowing already, but her citizens will go outside and camp rather than let any guest of the town go without accommodation.

## Rifle Shooting.

The military companies of Virginia have gotten up a generous rivalry upon the subject of target shooting. Taking advantage of this, our society has offered a considerable sum of money for competition among the different teams and companies. The matter was placed in the hands of Hub Parker, himself a shooter of some fame, and he has, we believe, made a success of it.

We understand that the Emmet Guard will attend in force and parade on the grounds in full uniform next Friday. There will also be separate prizes for teams from the National, Sarfields, and Washington guards. This will no doubt attract many lovers of gun powder and add an attractive feature to our fair. We are unable to get the full particulars owing to Mr. Parker's absence, but will publish them before Friday, the day assigned for this sport.

## Grand Purse and Stake Race.

On Saturday, October 12th, at the State fair grounds, an extra race of more than ordinary interest is promised to lovers of horse flesh. The terms of this race will be three miles and repeat, for a purse and stake of \$1500. The following horses have been entered:

Mat Canavan names Jack Stewart.

J. C. Corey names Red Cross.

J. Williams names Gov. Stanford.

The above will be without doubt the most exciting speed contest ever witnessed in Nevada.

## Fine Boots and Shoes.

John Sunderland, the pioneer boot and shoemaker of Reno, announces to-day the arrival of his fall and winter stock of boots, shoes, hats, caps and every variety of wearing apparel, which is needed to clothe the two extremes of man. Mr. Sunderland is now supplying all of the outlying towns with stock, and the growth of his trade is sufficient guarantee of his manner of doing business.

## To-Morrow.

Following is the programme for Tuesday Oct. 8th.

First—Trotting; 250 class; free for all horses in Nevada, and counties above named in California and Oregon. Mile heats, three in five; purse, \$500; first horse \$300; second horse, 125; third horse \$75.

Second—Trotting, free for all, three miles and repeat; purse \$800; first horse, \$500; second horse, \$125 third horse \$100.

## The White House.

The proprietor of this clothing house, on Commercial Row, has reason to believe that every man in Washoe county knows him. He is now after the foreign trade, and the proclamation of his intentions appears in another column. Read and investigate for yourselves. Everything in the way of clothing and furnishing goods on hand and constantly arriving.

## Pianos and Organs.

Mr. Frank C. Gear of Davis Gear & Co. is in town. The firm represents Sherman Hyde & Co. piano and music dealers of San Francisco. The firm is well represented and we shall notice their exhibit further at some future time.

## Notables.

Governor Bradley and Lieutenant Governor Jewett Adams are in town. There are, perhaps, other notables whom we did not see. There will be a car-load shipped from Virginia to-morrow. They will be exhibited in our streets and in the pavilion.

## EXHIBITS AT THE PAVILION.

Busily Among Exhibitors—All Available Space being Rapidly Filled.

This morning we strolled into the pavilion to meet old friends and to note the activity which characterizes the many who are arranging their various articles for exhibition at Nevada's fifth annual State fair. Men and women were too busy to tolerate much questioning, but reporters are a persistent set, and we made note of the following exhibits:

The four prizes for the ladies tournament were so arranged that these real silver gems are displayed to the best advantage. These prizes are offered by the society and consist of:

1st. A silver teaset, six pieces, value \$100.

2d. Full set of forks, table, dessert and teaspoons, tastefully arranged in a fine morocco case, value \$70.

3d. Water pitcher, two goblets, silver bowl and salver, value \$40.

4th. Silver fruit basket, value \$20.

Sherman & Hyde through their agents, Messrs. Davis Gear & Co. have on exhibition one fine Weber piano, grand square No. 4; one upright piano, manufactured by Mansfield & Nolte of Berlin, and two fine organs.

The Truckee Lumber Co., of Truckee, exhibits two bedroom sets of home manufacture. The wood is of pine and all the work was done by hand.

Mr. Wm. Schutts of Truckee makes a display of manzanita and mahogany pipes, cones, paper-weights &c. made by hand.

Mr. Charles Knust of Reno, tempts the lover of fine candies by an exhibition of 50 different varieties.

Mr. C. J. Brodskins & Co. of Reno, also present a fine display of the most choice candies, part of which are of his own manufacture.

Mrs. Sproule of Reno, pleases those who love fancy work by a quilt and a number of beautiful tidies.

Mrs. H. M. Cohn also of Reno, places on exhibition a handsome silk quilt.

Miss Pauline Schaefer of Reno, aged 13 years, two excellent pencil drawings.

Sanders & Co. of Reno, make a fine showing of home and foreign manufactured furniture. Their display is very large and complete.

B. F. Leete shows what he and the Eagle Salt Works can produce. Location of works, Churchill county.

J. W. Loomis makes a display of silver ore from the Loomis mine, Reno district.

Harry Bernard of Sacramento, places on exhibition one side bar open buggy, Brewster patent, one open-top, elliptic springs, one pony phaeton, one top buggy for mountain travel, one farmers family carriage, a light spring business wagon and a farmers spring wagon, two seats.

Messrs. Pike and Young of Sacramento, display two top buggies, two family carriages and an open wagon.

J. F. Hill of Sacramento, two spring wagons, single seats and a light farmers spring wagon and two open-top buggies.

W. F. Remington of Reno, 16 varieties of horse shoes, also two nippers, all of his own make and pattern.

Messrs. Manning & Duck make a display of twenty different styles and patterns of stoves and ranges; also copper and pressed ware, and an iron harrow.

Osburn & Shoemaker—Samples of work and paint of the California rubber paint company, C. W. Clark, manager.

R. P. Chapin, of the Arlington Nurseries, Reno, display of flowering plants grown in this county.

Mrs. Guise, of Reno—Choice lot of house plants.

Mr. F. A. Ebel, of Sacramento—Fine display of indoor and outdoor plants, among which we noticed pine apple, tea rose, etc., etc.

Ross Jones, of Truckee meadows—A quantity of Irish potatoes, Peerless variety.

A. B. Evans, of Long Valley—Three sacks of Irish potatoes of the Early Rose and white and red Peerless varieties.

Exhibits are constantly coming in, and we find it impossible to present in to-day's issue more than a few of the many articles already on exhibition.

## Sweet Potatoes.

L. B. Holcomb, near Verdi, has some sweet potatoes on exhibition at the pavilion, some of which measure ten inches in circumference. Mr. H. says his patch averages twelve tons to the acre, and he is confident that next year he will be able to raise from fifteen to twenty tons to the acre. It has been argued by many that sweet potatoes could not be raised in Nevada, but the samples now on exhibition at the pavilion fully demonstrate the fallacy of this. In addition to this, Mr. Holcomb has growing on his ranch quite a number of tobacco plants which he says are as fine as any he has ever seen, and next year he proposes to show what Nevada soil can do in this direction also.

## A Handsome Donation.

L. L. Crockett was out of sorts the other day because the society had no flag with which to adorn the flagstaff at the pavilion. In the course of his discontent he happened to run against B. F. Leete, and was put out of misery immediately by that gentleman's liberality. Mr. Leete presented the society with a handsome flag worth \$25, which had never been unfurled. "Old Glory" will therefore float at the masthead. Crockett is happy, and Mr. Leete has the knowledge of having done another handsome thing for our society.

## First Day's Racing.

For the Ballinette stakes Jennie D and Blossom, both the property of E. J. Baldwin, Illusion and Edie having been withdrawn. Jennie D won the dash of one and one-half miles in 2:48, thus winning the forfeit of the other two withdrawn. No pools were sold.

For the mile and repeat, Glenita, owned by E. J. Baldwin and Lottery, the property of H. Schwartz came to the score.

The pools sold at \$25 to \$7 in favor of Lottery.

The favorite won the first heat in 1:45. The heat was well contested, the two flyers at no time showing a length between them.

The first half mile was run in the extraordinary time of 0:48 1/4.

Glenita lead to the half, after which the favorite proved too numerous for his female company and won the heat and race in 1:49, Glenita second.

The horses were called for the mile and repeat, and Smith, Emma Skaggs and Bill Hazel came to the score. The boys purchased them in the following order: Skaggs 20, Hazel 8, Smith 1.

In the first heat Smith had the pole, Skaggs second, and Hazel outside. The horses ran well together during the mile. Emma Skaggs won the heat by half a length in 1:49 1/4, Smith second, and Hazel third.

The horses were called again for the second heat at 3:40 P. M.

## Ladies Tournament.

Friday will be a great day for Reno and her visitors.

The race programme of itself, as here shown, will be sufficient to assure a large crowd.

FIRST—Running; free for all; two miles and repeat; purse, \$800; first horse, \$500; second, \$200; third \$100.

SECOND—Running; free for all half mile and repeat; purse, \$400; first horse, \$200; second, \$125; third, \$75.

THIRD—Running; 1/4 mile for all 2-year olds; mile dash; entrance \$50, half forfeit; society adds \$200; second horse saves entrance.

Besides this, special attractions will be if possible, more than usually numerous.

The target shooting between the Virginia teams will be held on that day and a large amount of money has been appropriated for competition in that line.

The Emmet Guard will parade on that day in full uniform. Besides these attractions, which will be sufficient to throng the grounds, the Grand Ladies Tournament is set down for that day. Elegant prizes have been provided for this contest and are now on exhibition.

They are as follows: 1st prize. One elegant silver tea set of six pieces.

2nd prize. Complete set of solid silver tea spoons, table spoons and forks.

3rd prize. One silver cake basket.

4th prize. Silver water pitcher, two goblets and one bowl.

These prizes as might have been expected have caused the ladies to look covetously on I. Fredrick's show window for some weeks. There will no doubt be a large attendance on this account alone, at the fair grounds on Friday next.

## No Time for Politics.

A stranger entered this office to-day and said I want to see you about that political matter of mine and I—

There was a dull sound as the office club collided with his occiput and after a few long drawn breaths nary sound was heard but the whirl of the job press as it turned off dodgers and cards for the pavilion by the thousands. Turned them off at the lowest living rates, too. Bill-heads, tags, &c. &c., constantly on hand. The subscription to this paper remains at the old rates. The stranger will be buried this evening. Don't put off your orders until it is too late.

## Already.

E. Chielovich, the well known liquor merchant, is in town, and Herman Thyes has the Wine House all prepared for the accommodation of visitors to the fair. The rooms have been newly scrubbed and painted. The bottles have all been filled, fresh importations of choice liquors and cigars are just splendid and every thing is in readiness. Nobody ever called for a drink which he could not get at the Wine House. That is the reason so many people go there.

## A Fine Exhibit.

Elsewhere appears the ad. of Harry Bernard of Sacramento; mention is also made in the pavilion entries of his wagons, carriages, phaetons etc. Harry always makes it a point to come to our State fairs and by reason of his excellent work generally disposes of most of his carriages etc. He is a live man and understands our wants, and his wagons, as a rule, last twice as long as those of Eastern manufacture.

## Important to Exhibitors.

All entries to the pavilion will positively close on Tuesday night except the following: All kinds of bread, cake and cut flowers. Entries of these articles will be limited to Wednesday night. This order is made necessary by the large amount of space already applied for, and the desirability of having the pavilion in proper form for the reception of visitors.

## Workingmen.

The Workingmen's platform appears to-day in official form, together with the ticket. It contains the creed of a new party which has developed considerable strength in our midst. The Workingmen are also asked to rally on Thursday night next for a grand ratification of their county ticket.

## Another Flagman.

An item to the effect that B. F. Leete gave the flag which now floats over the new pavilion, appears elsewhere in this paper. The man who wrote the item must have lied for the very last of lying. The facts are these. Hon. C. C. Stevenson had the flag over the pavilion made in San Francisco and presented it to the society. The flag is white with a red border, 35x10 feet and bears the word "Pavilion" in blue letters. It was a handsome and appropriate donation. Mr. Leete did present a very fine flag to the society but it is used in some other department of the society's property. We are at a loss to see how journalists can make such mistakes. However, neither of the gentlemen above named ever flag when they can be of service to a home institution.

## Big Potatoes.

Last night we saw a renewal of the worth of Nevada soil for the production of potatoes, Joe Marzen of Truckee shipped from Lovelock's station C. P. R. R. 27 Irish potatoes the weight of which is 29 pounds. Dave McFarland persuaded Joe to place them in the pavilion, which Marzen finally consented to do, leaving his family in Truckee to eat poor potatoes or await a second shipment from Mr. Marzen.

## Clothe Your Feet.

Mark Barnett affirms loudly that he will suffer no one to go barefooted in this county. He has a large new stock of boots and shoes, and would rather give them away than not. Read his advertisement.

## SPECIAL NOTICES.

## The Clothing War.

EDITOR GAZETTE: In the Journal of October 3d, I find an announcement signed L. Abrams, of the White House. This announcement sets forth that other dealers in clothing keep "humbung shops" and offer "unsalable goods" to the public. He also believes that these humbug dealers "lie to deceive the public." I represent, for my part of the humbuggery, Mr. Editor, I represent that when I offer "unsalable goods" I always suffer for it, and not Mr. Abrams. The people have worn my goods long enough to know better than Mr. Abrams whether they come from a "humbung shop" or not. During my many years residence and business in Reno, I have made my own reputation and it is safe from the interested charges brought by this newcomer at the White House.

Now, whether I keep a humbug shop or not, I shall continue to sell the best goods in market and at the lowest rates. I shall sell men and boys clothing cheaper than "Whitely" can buy them. I shall keep more goods, and a fresher stock always on hand. And all of these statements, so far from being "lies to deceive the public" can be proven by my patrons during fair week as they have been proven any time during the past ten years.

M. NATIAN, Virginia Street.

A CARD TO THE PUBLIC.—I do not sell any goods 30 per cent. below cost, or even at cost, but I offer my first-class stock of clothing, furniture, boots and shoes, hats and caps, trunks and valises, etc., which have been bought for cash at the lowest market rates. Therefore I wish the public to post themselves on my prices before going to the humbug shops where they are always drumming into the ear that they are selling at cost, or below cost. They either bought unsalable goods or they lie to deceive the public; they don't deserve to be patronized.

Remember the One Price Store—The White House—No. 19 Commercial Row, next door to the postoffice.

L. ABRAMS.

A. J. Clarke has purchased from W. H. Lamb, of San Francisco, the entire stock in trade formerly belonging to James Toombs. Mr. Clarke will fully replenish the stock and store, and continue business at the old stand, where everybody may find bargains. The ever-courteous Henry Toombs will act as chief salesman for Mr. Clarke.

I give special attention to Physician's prescriptions, filling them promptly and accurately. Making my own fluid extracts, elixirs etc. I propose to all prescriptions from medicines of known purity and strength, at as little cost to the consumer as possible. Call at Queen's Drug store, Virginia street. 53-1f

OUR FRIENDS IN THE COUNTRY WILL remember there's only one place in Reno to get good Pictures, and that is at Lovelock's Photograph Car, opposite Hagerman's store. Everybody attending the Fair will please call early.

Riggen & Buckley, on Commercial Row, are now prepared to sell fruit cheaper than it was ever sold in Reno. We have every variety of fruit and of a first-class quality Give us a call.

STAGE LINE.—Alfred Jose has established a line of stages between Reno and Pyramid. The conveyance will leave Reno on Tuesdays and Thursdays of each week and return on the following days.

The Reno Drug Store, (late Hoole, is constantly receiving consignments of oils paints, varnishes, brushes, etc., which are offered at moderate prices. Wm. Puntiger, druggist, etc.

PHOTOGRAPHS.—For those exquisite Ferrotypes, Cabinets, Cards and Bon Tons, go to Thom's gallery, Virginia street, near Odd Fellows' building.

PICTURES.—A mammoth Art Gallery has been opened in Marshall's building, on Commercial Row, with a large assortment of Oil Paintings and Chromos. Call and see them.

Lost.—One gold car-drop. The finder will be rewarded by returning it to this office. The article was lost between the Gazette office and Barnett's corner.

HOGS FOR SALE.—Any one wishing to purchase fine stock hogs or fat hogs for market can get the same by applying to Mr. John Hoy, Virginia street, Reno.

New and elegant toilet articles constantly arriving. Call and see them. Queen's Drug Store, west side Virginia street, Reno.

WANTED.—A competent girl to take care of a child. Apply to Mrs. T. Barnett immediately.

POLITICAL.
REPUBLICAN PLATFORM.
ELECTION, TUESDAY, NOVEMBER 5, 1878.

Resolved, That we reaffirm the principles of our party, and renew our allegiance to the party which preserved the Union, freed the slaves and maintained the essential doctrine: that this is a nation and not a confederacy bound together with ropes of sand, and that both State and national governments should give ample and complete protection to its citizens, both at home and abroad; that against the assaults of traitors and rebels the Republican party has preserved these governments, and the Republicans of Nevada demand that every qualified elector in every State—in every State, South and North, Democrats or Republicans, black or white—shall be permitted, undisturbed by force and unawed by fear, to vote at all elections, at the places prescribed by law, and that every vote so cast shall be honestly counted, and that every person chosen by such votes, to any office shall be freely inducted into it, and effectively supported in the discharge of its duties. That the permanent pacification of the Southern section of the Union, and complete protection of all its citizens, in their civil, political, personal and property rights, is the duty to which the Republican party stands solemnly pledged. In order to redeem this pledge, it placed the recent amendments in the Constitution, and upon the righteous basis of said amendments, until peace shall come through right doing, and contentment through justice. That the evident purpose of the Democratic party, if it should come into full power, is to pay hundreds of millions of suspended war claims of disloyal men, already presented to Congress or awaiting a favorable moment for presentation, makes it doubly important, now that the Senate is soon to pass under Democratic domination, that the House of Representatives to be chosen in the next election should be under Republican control. Resolved, That the validity of the presidential term was definitely and finally settled by the forty-fourth Congress, and that the attempt shadowed forth by the Potter resolutions to disturb the title by which President Hayes and Vice-President Wheeler held their seats is revolutionary and dangerous in the extreme, and characteristic as it is of the unscrupulous motives of the rebel Democracy call for our unqualified disapproval and denunciation.

REPUBLICAN COUNTY PLATFORM.
Resolved, That we have known the Republican party to be the party of good government, and that it has always guaranteed the greatest good to the greatest number. Believing that an insidious foe in time of peace is no less dangerous than an avowed enemy in time of war, we refer to the glorious record of the Republican party as a full guarantee of the national peace and tranquility. We therefore declare it to be the first duty of good citizens and in the first interests of good government that the Republican party be continued as the law-making power of the land. Resolved, That we do heartily endorse the platform of the State convention of our party, held in Eureka Sept. 18th. That we endorse the same, both in spirit and letter, and do pledge our candidates to a fulfillment of the promises therein made to the people. Resolved, That this convention, as a representative of the Republican party of Washoe county, heartily endorse and applaud the vote of Washoe's Senators and Assemblymen in the Legislature of '77 upon the infamous Bullion Tax compromise bill. And we declare that in our best judgment such vote was cast for honesty, purity and the public good. Resolved, That in our best judgment, the official acts of the Hon. J. P. Jones in the Senate of the United States must be honestly and impartially reviewed, and the heavy responsibility of concurrence and approbation of the Republican party of Washoe county.

MISCELLANEOUS.
FELLOWS' Compound Syrup!
HYPOPHOSPHITES.
THIS DISCOVERY
Is the result of a series of Scientific Experiments based upon the theory that "for the successful cure of Wasting Diseases, the nervous system must be made vigorous and healthy."
One of the first symptoms of disease affecting either the Liver, Lungs, Heart, Stomach, or Genital Organs, is a loss of nervous power. This is followed by muscular relaxation, weakness, and emaciation of all the organs which depend upon them for health or involuntary muscular action, the weaker suffering first.
The inventor, acting upon this idea, that the muscles and nerves depend upon each other for efficient strength and action, and that they must be treated directly in order to speedily and permanently cure diseases of the organs which they control, became convinced, after months of experiment, that no other preparation produced such potent and direct effects upon the nervous system as his Compound Syrup of Hypophosphites
and except in cases of actual organic loss, it would restore patients suffering from these maladies.
Amongst the diseases overcome by the use of this remedy are the following:—
Chronic Constipation, Chronic Dyspepsia, Asthma, Chronic Bronchitis, Consumption, Chronic Diarrhea, Chronic Laryngitis, Melancholy, Nervous Debility.
Debility, resulting from Typhoid and other low fevers, Diphtheritic Prostration, Hysteria, Hypochondria, Nervous Excitability, Marasmus or Wasting of the Muscles, Aphonia or Loss of Voice, Sluggishness of the Liver, Intestines, and Febrile Action of the Heart. SUFFOCATING FEELINGS caused by mucous obstruction of the Lungs and Air Passages leading thereto, and Debility from various causes. Indigestion and habitual Costiveness almost always arise from weakness of the muscles and nerves of the stomach and bowels. In such cases, FELLOWS' Compound Syrup of Hypophosphites has proved itself of the greatest service by inducing healthy peristaltic action of the intestines. The evacuations soon become copious and healthy, without producing the effect of purgative medicine. Weakness of the Joints and Muscles, IMPURITY OF THE BLOOD, and INWARD WASTING may be cured by attention to the regular described doses, and by due regard to the habits of life.
FELLOWS' Compound Syrup of Hypophosphites
The power of arresting diseases displayed by this preparation is honorably acknowledged by the medical faculty in every section where it has been introduced, and the large sale is the best guarantee of the estimation in which it is held by the public.
This Syrup will cure PULMONARY CONSUMPTION in the first and second stages, will give great relief and prolong life in the third. It will cure ASTHMA, BRONCHITIS, LARYNGITIS and COUGHS. It will cure all diseases originating from want of MUSCULAR ACTION and NERVOUS FORCE.
